Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for the city of Aurora's Bicycle and Pedestrian Master Plan Update in surface transportation reauthorization legislation.

The project sponsor for this project is the city of Aurora and the project will be city wide with a focus on underserved areas in the north west section of Aurora and around bus and rail transit stops.

The funding is designated for a sorely needed update of the city-wide bicycle and pedestrian master plan. The project is an appropriate use of taxpayer dollars and is anticipated to increase resiliency for Aurora's residents, promote connections across city boundaries, and support the building of walkable and bikeable communities that have become increasingly important in attracting new residents and employers.

I certify that neither I nor my immediate family has any financial interest in this project."

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason Crow".
