Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for Arapahoe County's I-25/Bellevue Avenue Interchange Improvement in surface transportation reauthorization legislation.

The project sponsor for this project is Arapahoe County and the project will be located at 7500 E Bellevue Ave, Greenwood Village, CO

The funding is designated to address safety concerns, relieve significant traffic congestion, and improve multimodal connectivity for this economically vital interchange within the heart of the Denver Tech Center. The project is an appropriate use of taxpayer dollars and will achieve significant travel time improvements in the AM (20% reduction) and PM (14% reduction) peak hours, with a total travel time reduction average of 5 minutes, improving the interchange complex's level of service from F to D in 2040.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason Crow".
