Dear Chairman DeFazio and Ranking Member Graves,

I am requesting funding for the Arapahoe County's I-70/Airpark Interchange Reconstruction in surface transportation reauthorization legislation.

The project sponsor for this project is Arapahoe County and the project will be located at the I-70 and Monaghan Road interchange in Colorado.

The funding is designated to develop an approximate 10 square mile area of unincorporated Arapahoe County south of I-70 between Powhaton and Imboden Roads and will generate substantial future traffic volumes at the Airpark interchange with I-70. The project is an appropriate use of taxpayer dollars and will positively impact surrounding lands by improving the accessibility in this rapidly developing area.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason Crow", written over a horizontal line.
