The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Havana Street Corridor Multimodal Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Aurora, located at 15151 E. Alameda Parkway, Aurora, CO, 80012. The funding would be used for improvement projects along Havana Street, including widening sidewalks, improving bus stops, and increasing the presence of pedestrian-scale lighting. This is an appropriate use of taxpayer funds because this funding will be used for project design, NEPA, and right of way (ROW) elements that will assist in implementing a safe and active pedestrian, bicycle, and transit-friendly corridor on Havana Street.

The project has federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
