The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Montview Boulevard Complete Streets Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Aurora, located at 15151 E. Alameda Parkway, Aurora, CO, 80012. The funding would be used to enhance safety and convenience, alleviate and improve traffic flow, and rebuild Montview Boulevard, the main east-west street at the heart of the Anschutz Medical Campus. The project is an appropriate use of taxpayer funds because it will benefit bus users, Anschutz Medical Campus shuttle passengers, motorists, and pedestrians by alleviating congestion and improving traffic flow, transforming the thoroughfare into a five-lane section, with three lanes in the heart of the Anschutz Medical Campus. Montview Boulevard serves many different individuals in this area, including students from the University of Colorado, medical staff affiliated with CU Medicine, and the Aurora Housing Authority, among others. Further, Aurora Public Schools, Regional Transportation District (RTD) transit users, and those visiting the campus as patients will be better served.

The project has federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
