The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Law Enforcement Radio and Communications Technology Upgrades Project in Fiscal Year 2026. The entity to receive funding for this project is Arapahoe County Sheriff's Office, located at 13101 E Broncos Parkway, Centennial, CO, 80015. The funding would be used for the replacement and upgrade of radio and communications technology. The project is an appropriate use of taxpayer funds because replacement of this technology will improve safety, response time, and interoperability in Arapahoe County, which serves over 650,000 residents of Aurora, Littleton, Centennial, Englewood, and other municipalities.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381 (b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
