The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Newcomer Center Project in fiscal year 2025. The entity to receive funding for this project is Adams County, located at 4430 South Adams County Parkway, Brighton, CO 80601. The funding would be used for rehabilitating and renovating the community hub and purchasing equipment to provide medical, behavioral health, legal, case management, and fresh food to all newcomers as they work toward the path of self-sufficiency. This community hub will allow newcomers the opportunity to rebuild their lives in the Aurora community. The project has a Federal nexus because funding is vital to expand the capacity and resources needed to meet the growing demands of serving newcomers. As these individuals arrive, they bring diverse backgrounds, experiences, and needs. Adams County is committed to providing comprehensive support, including language education, cultural orientation, access to essential services, and community integration initiatives through the community hub to serve this population.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
