The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mobile Units for Transportation of Infant and Children's Food, Health, and Safety Needs Project in fiscal year 2025. The entity to receive funding for this project is Arapahoe County, located at 5534 S. Prince St., Littleton, CO 80120. The funding would be used to support Colorado infants and toddlers by walking alongside families, caregivers, and caseworkers to restore dignity for those struggling to provide for their families by connecting them to essential supplies. The project has a Federal nexus because this project helps build resilient and stronger communities. It addressed a clear economic need for our community for economically disadvantaged families.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
