The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Renovation of Existing County Facilities for Public Health and Workforce Development Project in fiscal year 2025. The entity to receive funding for this project is Arapahoe County, located at located at 5334 S. Prince St., Littleton, CO 80120. The funding would be used for to consolidate the operations of the Arapahoe/Douglas Works! Workforce program and relocate the headquarters of the newly formed Arapahoe County Health Department. The project is an appropriate use of taxpayer funds because consolidations will create efficiencies that directly and positively impact Arapahoe County citizens. The Public Health Department has determined that the Lima Campus is a more appropriate location than its current leased location in the Tech Center since it would place their services on campus with other County services that residents use and are familiar with.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
