The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Box Elder Creek Roadway Improvement Project in fiscal year 2025. The entity to receive funding for this project is the City of Aurora, located at 15151 E. Alameda Parkway, Aurora, CO 80012. The funding would be used for reconstructing the now closed flood-damaged 56th Avenue and Hudson Road within the vicinity of Box Elder Creek by implementing additional design and construction elements that will mitigate future flood risks anticipated from high storm run-off and substantially increased creek flows. The project is an appropriate use of taxpayer funds because continued and reliable access on 56th Avenue and Hudson Road is critical to the continued operation of several key facilities and destinations, including DIA, Colorado Air and Space Port, The Aurora Highlands, energy resources, agricultural resources, power lines and utilities and rural communities.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow  
Member of Congress
