The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mineral/Santa Fe Operational Improvements Project in fiscal year 2025. The entity to receive funding for this project is the City of Littleton, located at 2255 W. Berry Avenue, Littleton, CO 80120. The funding would be used for reducing congestion and improving safety and accessibility for all transportation modes at the intersection of Santa Fe Drive and Mineral Avenue. The project is an appropriate use of taxpayer funds because it will help to lessen the gap in funding from the originally anticipated project scope to the expanded scope that will deliver a comprehensive project that will ensure a long-lasting regional improvement benefitting all users.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow  
Member of Congress
