The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mobile Assistance Centers Project in fiscal year 2025. The entity to receive funding for this project is Arapahoe County, located at 5334 S. Prince St., Littleton, CO 80120. The funding would be used to purchase, retrofit, and deploy two vehicles to serve as Mobile Assistance Centers throughout the 6th Congressional District. The Mobile Assistance Center is a one-stop-shop that can connect constituents to thousands of vital resources - whether seeking tools to support self-sufficiency or enhance community disaster relief efforts. The Mobile Assistance Center will leverage data-driven decision-making powered by 211 insights to deploy two specially equipped vehicles to locations in the district. These Mobile Assistance Centers will offer a one-stop shop for almost any type of support or service any family or individual might need, driving economic development in under-resourced communities. They will connect community members to thousands of resources from a trusted partner to ensure Coloradans— especially those left behind by traditional service delivery offerings – can take a first step on the path toward self-sufficiency.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jason Crow  
Member of Congress
