ICE AURORA CONTRACT DETENTION FACILITY ACCOUNTABILITY REPORT

Beginning in March 2025, the Trump Administration informed Congressman Jason Crow's office that they will no longer provide electronic files and written updates relevant to the completion of accountability reports detailing conditions at this facility.

Despite this, it is still a priority for Congressman Crow to provide proper congressional oversight of for-profit detention centers, including the Aurora ICE Processing Center. Congressman Crow and his congressional office will continue making good-faith efforts to visit the facility and obtain verbal updates from ICE.
