Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Pickens Technical College Renovation project in Fiscal Year 2027. The entity to receive funding for the project is Adams-Arapahoe 28-J School District located at 15701 E 1st Avenue, Aurora, Colorado, 80011.

The funding would be used to renovate Pickens Technical College. This project is an appropriate use of taxpayer funds because a renovated Pickens Technical College will support training in today's high-demand industries, strengthening workforce training for over 2,000 students annually and expanding opportunities for Aurora's community. This project will strengthen the region's skilled workforce, support economic growth across Colorado's Sixth District, and create expanded pathways to economic mobility for Aurora students and adult learners.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
