Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Starlight Affordable Housing Development project in Fiscal Year 2027. The entity to receive funding for the project is Arapahoe County located at 5334 Prince Street, Littleton, Colorado, 80120.

The funding would be used to support the construction of the Starlight affordable housing development on Littleton Boulevard. This development will include 72 income-restricted affordable housing units. This project is an appropriate use of taxpayer funds because it will help address a critical affordable housing gap in the region. Colorado faces a housing deficit of over 100,000 units and nearly half of all Colorado renters are considered cost-burdened. This project will contribute to regional housing goals, reduce displacement pressures, and expand access to safe housing options for households who may otherwise struggle to remain in the area.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Sincerely,

Jason Crow  
Member of Congress
