The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Littleton Public Schools Phase 2 Playground Expansion project in Fiscal Year 2027. The entity to receive funding for the project is Arapahoe County School District #6 located at 5776 South Crocker Street, Littleton, Colorado, 80120.

The funding would be used to complete an ADA accessibility project to upgrade playgrounds, including the purchase of wheelchair-accessible gliders, sensory play stations, and transfer-ready structures. This project is an appropriate use of taxpayer funds because these upgrades will ensure that students with disabilities are able to play alongside their peers and foster a cohesive social environment where physical limitations do not prevent a child from fully participating in their education. Upgraded playgrounds benefit not only Littleton Public School students, but also serve the broader community. Many families use school playgrounds outside of school hours, making them a central feature of neighborhood life.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Sincerely,

Jason Crow
Member of Congress
