Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Health Care Equipment Upgrade project in Fiscal Year 2027. The entity to receive funding for the project is the STRIDE Community Health Center located at 3292 Peoria Street, Aurora, Colorado, 80010.

The funding would be used for the purchase of equipment to upgrade pharmaceutical and dental equipment for the Peoria clinic. The project is an appropriate use of taxpayer funds because the Peoria clinic provides vital medical, dental, and behavioral health services to help patients manage acute and chronic health conditions. Improving STRIDE's efficiency and capacity to provide care positively impacts the overall health outcomes of the community, reduces the risk of chronic illnesses, and reduces strain on the regional health system.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project and neither does anyone in my immediate family.

Sincerely,

Jason Crow
