The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Nine Mile Pedestrian/Bicycle Bridge over SH-83 project in fiscal year 2024. The entity to receive funding for this project is the City of Aurora, located at 15151 E. Alameda Parkway, Aurora, CO 80012. The funding would be used to build a pedestrian/bicycle bridge crossing Parker Road (State Highway 83) in Aurora, CO. The project is an appropriate use of taxpayer funds because the bridge will provide safer access for pedestrians and bicyclists between the RTD Nine Mile Station and the residences and businesses on the north side of Parker Road—including The Point at Nine Mile transit-oriented development and to support on-going and anticipated redevelopment in the area.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jason Crow".
